Course Title: Floral Design	
Course Number:	
Course Description:	
	<p>Designed for junior and senior agriculture students. It provides an introduction to artistic and creative perception. Students are introduced to the elements and principles of visual art design such as line, shape/form, color, balance, and emphasis using a series of floral-based projects to explore the connections, relations and application to visual arts design. Students will research and study floral trends to understand and develop an appreciation for floral design within historical and cultural, formal and casual, ceremonial and traditional, including an understanding that floral designs are affected by society, culture, history, politics, and economic influence.</p> <p>Various assignments based on two and three dimensional designs, historical culture and theory, color theory, and analytical critiques of various floral art works using design vocabulary in conjunction with development of technical skills in floral art will serve as a foundation for more complex works such as multi-part floral designs and creative expression. Has been submitted for CSU/UC (F) Fine Art Credit. Students are automatically enrolled in FFA.</p>
